

My name is Maurice Morita, and I am speaking in behalf of the Neighborhood Board #18 and as a resident of Salt Lake in strong support of the amendments of the proposed committee draft (CD 2) of Bill 16 (2009), mainly the capitol improvement project called "Salt Lake Boulevard Widening Project."

The residents of Salt Lake, Aliamanu and Foster Village would like the County to complete the widening of Salt Lake Blvd. from Maluna Street to Ala Lilikoi, approximately a one mile stretch.

We appreciate the support of the County Council members and hope in the near future the Salt Lake Blvd. Widening Project will be completed.

Thank you for the opportunity to testify.
